

Medicare Waiver

I understand Bodywise Physical Therapy is contracted as a non-participating provider with Medicare. The rates you are paying at the time of services are based on the fee schedule Medicare has approved. We will send a claim for all applicable services rendered to Medicare for processing. All payments will be mailed to you, the patient.

This is not a guarantee of payment by Medicare.

Bodywise Physical Therapy does accept Medicare Advantage plans including Health Net, Regence Blue Cross, Pacific Source, MODA, Providence, AARP and Humana. Claims will be submitted to your insurance for processing. Coverage is based on plan benefits at the time services are rendered.

I have read the information above, and understand that services and/or supplies I receive at Bodywise may not be a covered benefit of my insurance, and agree I am fully responsible for payment of such services and supplies.
